BLAIRMORE ALBERTA

New Issue of Elevator Map

A recent edition of an elevator map just issued from the Department of the Interior shows some very interesting information with respect to the storage and transportation facilities for the handling of the annual grain production of the three western provinces. The map shows the elevator capacity at each station on the different lines of railways and, in order to simplify the location of the various places, each railway system has been shown in a separate color.

In addition to compel a tax regarding elevators the public edition includes valuable railway information with respect to lines of railroads and stations shown located.

Copies of the publication may be obtained free of charge upon application to F. C. C. French, Superintendent of Railways Lands Branch, Dept. of the Interior, Ottawa.

If A Man Does Right Stand By Him

The best way to build up a town is to stand by every man in the place who does right. Who never a man is doing well do not let him down. All residents should be partners, not opponents. In all livelihoods, the more business your rival does the more you will do. Every business man who treats his customers honestly and fairly will get his share, and a more business that can be secured by uniting efforts, the better it will be for all. When a town ceases to grow it begins to die, and to have people begin to kill each other's business in their own town the more readily will other towns come to act stand together for the advancement of every citizen. If a man is able to prosper, do not pull him back through jealousy, or weaken him down through cold indifference — Ex.

Sinclair Beebe—That the Town of Blairmore levy a business tax during the year 1913. Motion was lost.

Sinclair Beebe—That as the finances of the Town of Blairmore are such that strict economy must be exercised in every branch of its expenditures, that the school board be asked to operate with the council in curtailing all possible expenses, and that they be asked to re-adjust their staff, salary, etc., until such time as the financial stringency is relieved. Carried.

Ro-si-s-nam—That he secretary-treasurer be instructed to advertise in this week's issue of the local paper for a secretary-treasurer for the Town of Blairmore and the Blairmore School District No. 228, duties to commence as soon as the town auditor can be secured, salary to be \$100 per month, applications to be in the hands of Mayor Kirby not later than 6 p.m. Monday, February 15th, 1915. Carried.

On the subject of a business tax, Councillor Rossi thought that many of our business and professional men, who were at present occupying or renting buildings from ratepayers, should be compelled to leave part of their enormous earnings to the town by way of taxation. He could not see how the town could at present be deriving any revenue from these people, who were enjoying all the privileges enjoyed by the direct ratepayer.

Other councillors endeavored to point out to Councillor Rossi that the tenant was indirectly the ratepayer, and that the landlord simply added his rent-charges so as to cover taxes and other improvements. Mike replied, saying "I can't see this things," and turned his back towards the mayor while our cartoonist was asleep. After the motion had been put and lost, Mike stated that he fully believed a business tax would benefit the town, but discovered that it was fool-hardy to propose such a scheme while two-thirds of the councillors were business men. A voice from the Niggers' Heaven, shouted

"Business Tax" and "Pruning Knife" Considered By Council

Put 'em off and elect a council of miners!"

On the subject of curtailing expenses, Councillor Rossi failed to see why there was any necessity to use the pruning knife at the present time. His imagination led him to believe that everybody in Blairmore, including himself, were enjoying real prosperity, and that Blairmore represented a real heaven to those who looked to it for a living. He quoted the fact that the outgoing school trustees in December were fully justified by existing conditions and future prospects to offer the members of the teaching staff an increase of salaries. He said conditions now are no worse than they were in December. Some of the councillors suggested cutting down the salary for secretary-treasurer. Mike stated that there was no cause for such action, that any man who accepted the position and capable of filling it was well worth the \$120 per month; otherwise the "cheap-skate" would be looking for "pickins." He believed in paying any man what he was worth, but did not believe in maintaining luxuries such as the proposed chief of police.

W. Archer, a member of the local miners' union, made an appeal to the council on behalf of the needy people of the town. He said that he had been informed that Mr. Sterling had visited Coleman and other places and made arrangements whereby the distress in these communities might be considerably relieved, but as far as in Blairmore had been passed up. He stated that District 18 of the United Mine Workers, and Blairmore local union, have been trying to adopt relief measures, but that their appeals have been practically ignored by the provincial government. The unions throughout the district have all done their share in a great work, but have exhausted all the means at their disposal. Arrangements had been made by the government to spend considerable relief money at Coleman, but Coleman has no more distress cases today than Blairmore has, and something must be done and done immediately. He urged upon the council to take the matter up with the provincial government, either directly or through our representative, Mr. Campbell.

The mayor informed the council that he had been in conversation with Mr. Sterling, and gave him all the information at his disposal, and was assured that the matter would be looked into at once.

On motion it was ordered that an urgent appeal be made through the Secretary-Treasurer to the Provincial and Dominion governments to provide some means of employment or relief measures for those in our community most in need, stating existing conditions, etc.

On motion the meeting adjourned to meet again on Monday night, February the 15th, when applications for the position of secretary-treasurer will be considered.

Don't YOU Believe It?
Some day that chronic sceptics cannot be cured. Don't you believe it? Chamberlain's Tablets have cured others—why not you? Give them a trial. They cost only a quarter. For sale by all dealers.

Red Cross Work

No less than 28 motor ambulances have been donated to the Red Cross Society by the people of Canada to date. The latest additions to this most important branch of the society's work come from Ottawa where the local branch of the Red Cross has donated four ambulances. Two of these will be sent to the Duchess of Connaught hospital at Clevedon, the beautiful Thames-side residence of Major W. Waldorf Astor M. P., which has been generously handed over to the society by its owner. The other two will be used for the Canadian Overseas contingent and will be sent to France at an early date. It is impossible to overestimate the value of the gift for motor ambulance is one of the most important adjuncts of the field hospital.

W. Archer, a member of the local miners' union, made an appeal to the council on behalf of the needy people of the town. He said that he had been informed that Mr. Sterling had visited Coleman and other places and made arrangements whereby the distress in these communities might be considerably relieved, but as far as in Blairmore had been passed up. He stated that District 18 of the United Mine Workers, and Blairmore local union, have been trying to adopt relief measures, but that their appeals have been

practically ignored by the provincial government. The unions throughout the district have all done their share in a great work, but have exhausted all the means at their disposal. Arrangements had been made by the government to spend considerable relief money at Coleman, but Coleman has no more distress cases today than Blairmore has, and something must be done and done immediately. He urged upon the council to take the matter up with the provincial government, either directly or through our representative, Mr. Campbell.

The Indians of Canada are doing their share on behalf of the soldiers of the Dominion in a splendid manner and recently the headquarters of the society received a gift of 25 pairs of socks from the Indians on the reserve at Wainwright, Ontario. This gift was sent to the Patriotic League of that town with the request that the parcel be not opened until it has reached the head office. The Indians on the Blood reserve at Macleod, Alberta, have also given generously to the society and more gifts from these descendants of the early inhabitants of this country will be sent. A welcome gift for motor ambulance is one of the most important adjuncts of the field hospital.

The Coals of Alberta

The quality of a coal is largely dependent upon the temperature at which it was heated, the temperature to which it has been subjected since the time in which it was laid down. Thus in the mountainous regions where considerable folding and squeezing of the rocks has taken place a coal may be of a bituminous or anthracite form while the same coal found in the adjacent plains will probably be lignite.

In Alberta coal is found in two geological formations, the Belly River and the Edmonton. The coals of the Belly River horizon are found over an area of 25,000 square miles and are estimated to contain 13,000,000,000 tons. The principal mines working this formation are at Lethbridge, Pincher and Leithbridge in Crows' Nest region. At Lethbridge and Pincher rocks and coal have been more or less completely exposed, presenting a fair bituminous coal while at Lethbridge where no earth movement has taken place they are more of a lignite nature.

Some bituminous coals upon removal of the volatile matter leave the fixed carbon and ash in a solid mass known as coke. The coals of the Crows' Nest Pass are excellent cokers, thus yielding a superior metallurgical fuel. At the present time none of the by-products are saved in this area.

The coals of the Edmonton horizon are generally lignites, but in the footfoots, where they have been subjected to pressure, they grade up into the bituminous. The total area of workable coal in this horizon has been estimated at 12,800 square miles with a probable coal content of 14,000,000,000 tons. The principal mines operating on this coal are situated in the vicinity of Edmonton.

Besides these two coal bearing horizons there are several others scattered over the eastern side of the Rocky Mountains, the Kootenay. These coals are worked at Coleman, Banff and in the Jasper Park region. They have all been under heavy pressure during the formation of

the Rocky Mountains, and are consequently of a much better quality than those of the Belly River or Edmonton formation. The Cascade Mts. at Banff has been estimated to contain 400,000,000 tons of semi-anthracite and 1,200,000,000 tons of the softer grades of coal.

Passburg Happenings

Mr. and Mrs. Thomas Nicholls are moving this week to a fruit ranch in Washington.

We are informed that the Leitch Collieries say they will pay their men when they get the loose coal that is in the mine loaded and sold.

What in the world has come over "L.A.F." and his friends. They surely have not crawled into their "dig-out" already. We would expect something good after the long conference they had last Sunday.

The notices that were posted around town this week were not in German, as some people supposed.

They were in ancient English, hence the difficulty in deciphering them.

We would advise the party who did the writing to have his bills printed at The Enterprise office in the future.

Last Saturday night about twenty members of the Hoodlums (or Hooligans), who have their headquarters at Blairstmore, visited our little burg and dined at the Passburg hotel.

We do not know anything about the aims and objects of this organization, but from personal observation, we would put it down for a sort of courting course and have a good time, as the winter is getting short.

The local rink will be the scene of another big carnival on Monday evening next, February 15th. A far larger crowd is expected at the previous carnival, judging

from the requests made since that time, and owing to the soft weather the Frank \$1,000,000. enclosure

is the only place where ice is maintained in first-class condition, and good ice is guaranteed for Monday evening.

An additional attraction will be put on for this occasion, when a fast hockey game will be played between Frank and Blairmore ladies.

Any bachelor who would miss such a treat as this must be nearing the land of dreams, where there's no hockey.

Prizes will be given for the best dressed lady and gent, boy and girl, best comic and best pair of skaters.

Come and have a good time, as the winter is getting short.

The choir of the Methodist church here, with several friends, enjoyed a sleigh ride as far as Hillcrest the early part of the week for the purpose of paying Rev. Mr. Hart a surprise visit. It generally takes a lot to surprise this gentleman, but on this occasion he was more than overcome, especially when the ladies dug up the eatables for supper.

Games were played and everyone, including the reverend gentleman himself, thoroughly enjoyed the affair.

No doubt Mr. Hart would like his shack visited often, and would never refuse the replenishing of his cupboard's supply.

Frank Happenings

Arthur Downe, of Bellevue, was in town last week end.

Nat. Marshall was again in town this week inspecting boilere.

Mrs. Riley and son, of Lundbreck, were in town last week end visiting friends.

Mr. and Mrs. Jepson are visiting with Mr. and Mrs. Wardman at Huron this week.

Bobby Powers spent the early part of the week in town repairing Thompson's automobile.

D. S. Howe, the local butcher, this week unloaded a shipment of prime beefs from Pincher Creek.

T. Longworth, who joined the Imperial Hat contingent, was down for a brief visit this week before leaving for England.

BUILDING FOR SALE—The 41 Market Building at Frank, is for sale. Must be torn down or dismantled at once. Apply to J. H. FARMER.

We are pleased to know that Sam Paton is progressing at the Hillcrest hospital, and will soon be able to join his pals at Pincher Creek.

A black class will be started in the Methodist church on Sunday morning at 11 o'clock. This class will take the place of a morning service. All are specially invited to attend.

Frank and Bellevue met at Bellevue on Wednesday evening in the last game of the second series. Owing to Miller, of Bellevue, leaving to join the Pincher Creek squad, it was decided to play a six-a-side game. Boys, of Frank, was referee and considerable dissatisfaction was shown by Bellevue from his decision. Frank won out by 9 to 3.

Frank journeyed to Coleman on Monday for their return game for the first series. Owing to some

difficulty arising, it was decided to play an exhibition game, and Frank put it out to Coleman to the extent of 6 to 4.

On Wednesday afternoon, vex Frank will play Pincher Creek on the local ice. This will be the game of the season and judging from Frank's previous performances they will no doubt put on one game against the prairie wagons.

Barbour will play Frank. The reason this game is being staged in the afternoon is that Pincher and Coleman meet on the same evening at Coleman. Don't forget Wednesday afternoon.

The local rink will be the scene of another big carnival on Monday evening next, February 15th. A far larger crowd is expected at the previous carnival, judging

from the requests made since that time, and owing to the soft weather the Frank \$1,000,000. enclosure

is the only place where ice is maintained in first-class condition, and good ice is guaranteed for Monday evening.

Report of Blairstore
School for January

Below will be found the report of the Blairstore public school for the month of January:

The school was in operation 20 days.

The total number of pupils enrolled was 237.

The total attendance amounted to 4,464, an average of 223 pupils per day.

The average percentage of attendance per room was 94.

Primary Department, Junior Grade J. Miss I. Murdoch, teacher—Number enrolled 49, aggregate days' attendance 854.5, average attendance 17.27, percentage of attendance 87.18, rates 39. Perfect in attendance and punctuality—Sandra Louetti, Mildred Bond, Gertrude Dutil, Margaret Lyon, Inez Brunetto, Edward E. James, Janie Hunter, Freda Brown, Jessie Gow, Mar Tack.

Grades I. and II. Miss C. L. Williams, teacher—Number enrolled 50, percentage of attendance 96.55, average attendance 18.475, aggregate attendance 1869.5, rates 2. Pupils neither late nor absent—Fernand Capron, Annie Haber, William Morgan, Albert Mansini, Mar Kim, Louis Ross, Arthur Boyd, Lizzie Brunetto, Marlene Bond, Lindsay Carter, Acila Malina, George Maniquet, Angeline Morris, Selina Obice, Toza Poggiali, Martha Boyd, Gilbert Bourgouin, Phillip Christopher, Charles Garrett, Dorothy Hinds, Rosa Haber, Thomas Kemp, Louis Maffoli, Frank McLean, Jessie McEv, Rachel Malina, Beavenuto Pozzi, Roland Plunkett, Jean Shearer, George Shearer, Andrew Stewart, Carmen Stevenard, Bobbie Thompson, Albert Thibadeau, Marvin Tunier.

Grade III. Miss L. Perkins, teacher—Number enrolled 35, aggregate days' attendance 681, average at-

tendance 19.05, percentage of attendance 97.28, rates 6. Neither late nor absent—Sydney Sergeant, George Handley, Reba Doutt, Lucy Hinds, George Lyon, Vernon Thibadeau, Lillian Evans, Catherine Lyon, Vernon Hunter, Elizabeth Blair, Leni Louetti, Mildred Passmore, Elizabeth McLeod, Henrietta Robbins, George Kevoh, John Patterson, Allan Ian, Jeanette Thibadeau, Violet Warner, Flora Warner, Marcelle Bouie.

Grades IV. and V. Miss K. B. Darrach, teacher—Number enrolled 44, aggregate days' attendance 888, average attendance 41.03, percentage of attendance 95.29, rates 6.

Grades VI. and VII. Miss E. M. Fulton, teacher—Number enrolled 33, aggregate days' attendance 711, average attendance 21.55, percentage of attendance 96.08, rates 11.

Grades VIII., IX., X. and XI.—Number on roll 22, total attendance 410, average attendance 20.25, percentage of attendance 93.18, rates 10.

J. W. Verge, Principal.

Red Cross Notes

The Supervisors have reported contributions from the members as follows:

District 1, Mrs. Shaw, Supervisor—\$2.70.

District 2, Mr. Carter, Supervisor—\$1.10.

District 3, Mrs. Thompson, Supervisor—\$2.25.

District 5, Mrs. Green, Supervisor—\$1.00.

Making a total of \$23.50, with still a few more to come.

The tea given by Mrs. Green and Mrs. Roberts on Wednesday afternoon was unusually successful, netting \$15.15 for the funds.

Mr. and Mrs. Frank Lewis, for making boxes, and L. E. Miller, for painting the front.

A joint meeting of the Executive Committee and the joint committee, was held in the Municipal Building on Tuesday evening. A very enjoyable evening was spent and as a result 56 bandages were neatly rolled. Thanks is also due Nurse Lewis for bandages rolled.

E. M. Brown paid a business visit to Lethbridge on Tuesday.

D. A. Sinclair returned from Winnipeg on Wednesday morning.

Mrs. H. T. Fitzsimmons, of Winnipeg, is visiting her son, E. T. here.

Mr. Shaw, district mine inspector, visited Beaver Mines on Wednesday.

Mrs. Kild's maternity home Box 95, Phone 151. Wedding cakes decorated.

George Bradley and Mayor Appleby were down from Sentinel on Thursday.

H. Smallwood, son of Robert Smallwood, blacksmith, has joined the 3rd at Pincher Creek.

Rumor has it that L. H. Putnam has offered his services as a chaplain to go with the next Canadian contingent.

Mrs. C. E. F. Hiscock left for Pincher Creek Tuesday, where she will spend a few months prior to going over to England.

C. E. F. Hiscock and David Fraser went to Pincher Creek on Saturday, where they enlisted for service with the third contingent.

Mrs. A. W. H. McLeod left on Monday on her return journey to her home in Coleman, Alberta—Westville Free Lance of February 4th.

Grades VI. and VII. Miss E. M. Fulton, teacher—Number enrolled 33, aggregate days' attendance 711, average attendance 21.55, percentage of attendance 96.08, rates 11.

Grades VIII., IX., X. and XI.—Number on roll 22, total attendance 410, average attendance 20.25, percentage of attendance 93.18, rates 10.

J. W. Verge, Principal.

Sam McVicar, of Beaver Mines, was in town on Wednesday.

Mr. and Mrs. Archie Corrie, of Ferries, spent Sunday in town.

W. Robinson, of Burns, was a visitor in The Metropolis on Monday.

A. G. Thompson, of Cowley, has enlisted with the Pincher Creek contingent.

Sgt. J. W. Gresham returned to the military camp at Medicine Hat on Wednesday.

Thermometer registered 71 degrees above zero point in Blairstore on Sunday, February the 1st.

Mrs. C. Banmer returned to Lundbeck on Sunday night, after having spent over a week in Blairstore.

Over seventy per cent. of the English-speaking population of Pincher Creek have enlisted at the front.

Mrs. F. McNeill, manager of the local telephone exchange, left Monday on a short visit to Drumheller and other northern points.

The local meat markets have decided to keep their stores open for business on Wednesday afternoon, being the first departure to the long-standing half-holiday idea.

A meeting of the Presbyterian Women's Guild will be held at the home of Mrs. Shaw on Wednesday, February 17th at 3 p.m.

The ladies of the Red Cross Society held a ten cent tea at the home of Mrs. Raoul Green on Wednesday afternoon, which was well patronized.

In some of the dry towns in Nova Scotia whiskey is being sold as Minard's Liniment, cow liver oil, machine oil, Worcester sauce, etc. In Alberta whiskey is whiskey and substitutes are thought unnecessary.

A number of gentlemen were struck from the civil trend of their way, four-day night and seven work rolling on—days for the use of the army medical corps. The work was in charge of the Red Cross ladies who believe in making everyone take an interest in our boys at the front.

Mike Rossi talks of resigning his position as chaplain for the Hooligans. He claims that he is unable to do justice to the spiritual needs of such an organization. We understand that L. H. Putnam, of Pincher Creek, is applying for the job.

A pleasant sledging-drive was held by a party made up from Blairstore, Frank and Bellevue, on Saturday night. The sleighs were put on wheels and were drawn to the Pincher hotel, where a supper was served at 10:30. The party included Mr. and Mrs. Viebler, Mr. and Mrs. Verge, Mr. and Mrs. Ritchie, Mr. and Mrs. Beer, Mr. and Mrs. Brown, Mr. and Mrs. Martz, Mr. and Mrs. Allen, Mr. and Mrs. Gillis, and Misses Kuhn and Marguerite Williams. Everyone enjoyed the outing and the dinner, which was put on in excellent style by the management of the Pincher hotel. The "sleigh drive" was particularly pleasant.

C. E. F. Hiscock tendered his resignation as secretary-treasurer of the Town of Blairstore at a meeting of the council held on Monday forenoon. The resignation was accepted, to take effect on Tuesday, the 9th. At a meeting of the school trustees held in the council chamber on Tuesday at 11 a.m., Mr. Hiscock's resignation from the office of secretary was considered and received. On motion the trustees granted Mr. Hiscock's salary for the full month of February, and accepted his resignation in the form of leave of absence, the position of secretary-treasurer of the school district being open to him should he ever return to Blairstore and desire to resume such duties. Mr. Hiscock's resignation is keenly regretted, for since his connection with municipal work he has proved to be a thoroughly reliable and competent official; and the manner in which the books of the town and the school district have been kept have brought forth considerable unqualified commendation from the auditors and others who have had occasion to know of his qualifications. Mr. Hiscock has enlisted for service at the front, and left for Pincher Creek on Tuesday night, the part of the attorney general's department and disengaged for the camps. The best wishes of the accused: their honors, after a brief conference, decided to dismiss all hope for his safe return.

The case preferred against Marceline Neyrick by the postal department was dismissed by Justice Graham and Pinckney on Tuesday morning. When the hour arrived when the hearing of the case should be resumed, Sgt. Gillis, who appeared for the accused, raised strong objections to any further adjournment of the case. He felt that the fact that the crown had not secured the services of a lawyer, he had no right to be present at the trial. The court adjourned the case until the 13th instant.
